SOOTHING RECOVERY hydrocell mask

Calming & Soothing with a
Refreshing Cooling Effect

HYDRATING RESTORING hydrocell mask

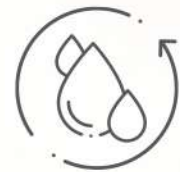

Intensive Hydration That
Reaches Every Layer

HYDRATING RESTORING hydrocell mask

MoistShield HA

A blend of 8 types of hyaluronic acid in 3 different molecular weights, delivering immediate and deep hydration that reaches every layer of the skin.

Deep
Hydration

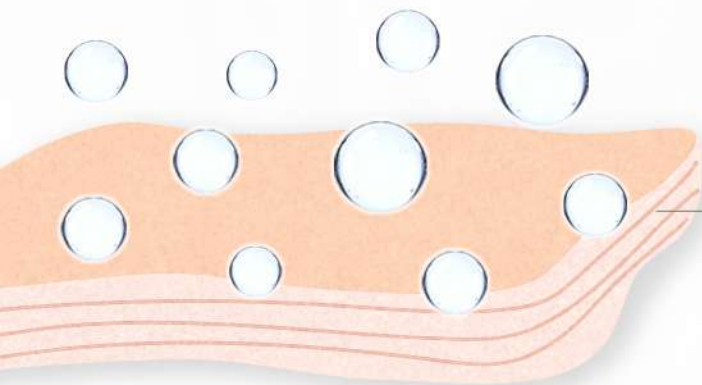

Barrier
Strengthening

Calming &
Repairing

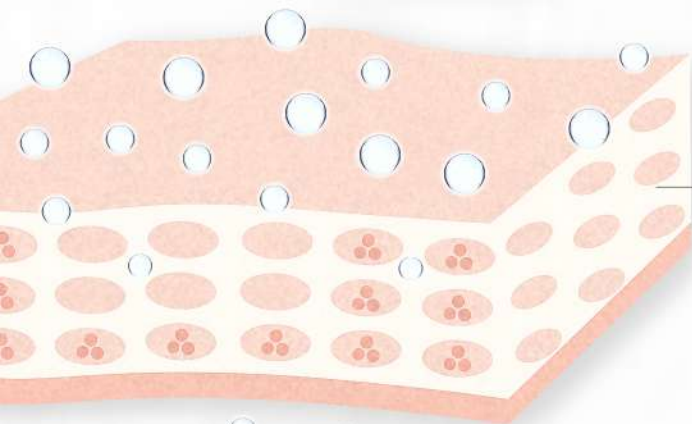

MOISTSHIELD HA

8 TYPES OF HYALURONIC ACID

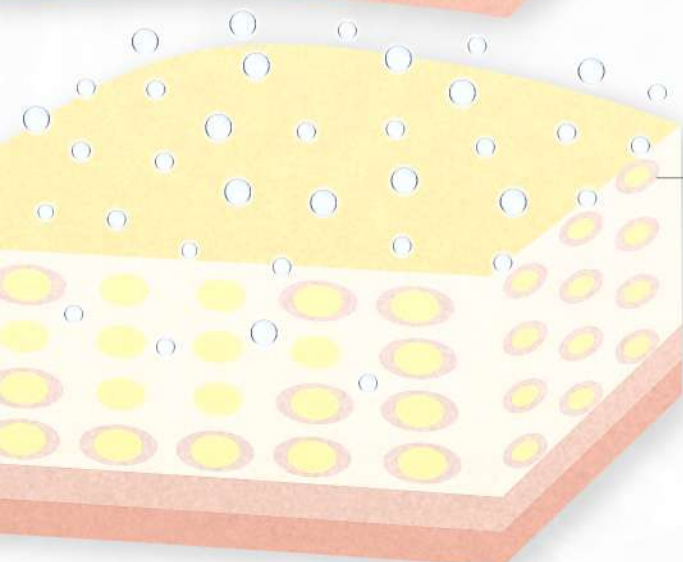

HIGH MOLECULAR WEIGHT HA

Forms a protective barrier on the skin's surface, providing immediate hydration and preventing moisture loss.

MEDIUM MOLECULAR WEIGHT HA

Enhances skin smoothness and plumpness, improving texture and giving a healthier, more youthful appearance.

LOW MOLECULAR WEIGHT HA

Penetrates deeply into the skin, offering long-lasting hydration and supporting the skin's natural moisture balance.

SOOTHING RECOVERY

hydrocell mask

Northern Truffle

The super-soothing Northern Truffle - calms redness, irritation, and discomfort, restoring balance for visibly soothed skin.

Calming &
Soothing

Instant
Cooling Relief

Lasting
Hydration

NORTHERN TRUFFLE

SUPER-SOOTHING SKINCARE MUSHROOM

INFLAMMATION & IRRITATION RELIEF

By inhibiting receptors responsible for inflammation and pain, Northern Truffle creates a peaceful, comfortable environment for healthier looking skin.

ULTRA-SOOTHING POWER

Clinical trials reveal Northern Truffle's ability to extend the "feel-good" zone of stressed skin, making it ideal for sensitive or reactive complexions.

HYDROCELL

THE WATER BABY OF MASKS

A hydrogel dressing with superior moisturizing and adsorbent properties.

HOLDS 30X THE ESSENCE

Carries up to 35ml of Essence

DOES NOT DRY OUT EASILY

Remains 90% Moist After 30 Minutes

SUPERIOR BREATHABILITY

Hydrocell's Gel Balls with Porous Gaps Provide a Refreshing and Breathable Sensation

HYDROCELL MASK

ORDINARY PAPER MASK

VS

Superior water absorption,
can carry up to 35ml of essence

ESSENCE CARRYING CAPACITY

Carries less essence,
limiting hydration

Remains 90% moist
after 30 minutes, not easily
reabsorbed moisture from skin

MOISTURE RETENTION

Tends to dry out quickly,
easily reabsorbs moisture from skin

Gel ball structure provides
superior breathability
and stronger absorbency

BREATHABILITY

Flat structure makes it less
breathable and less absorbent

Absorbs makeup residue

RESIDUE ABSORPTION

Unable to adsorb residue
or has limited capacity

30 times

LIQUID-CARRYING RATE

12 times

HYDROCELL MASK

VS

HYDRATING RESTORING
