BIOTICS+ SYNERGY MASK VITAMIN C

• Balance • Brighten • Even

Brightens
Dull Skin

Evens
Skin Tone

Provides
Antioxidant
Protection

mizuLabs

PROBIOTICS+
hydrogel

80g e

mizuLabs

PREBIOTICS+
VITAMIN C
concentrated capsule

8g e

Sodium Ascorbyl Phosphate Vitamin C

A stable, water-soluble Vitamin C derivative with antioxidant benefits that brightens skin and improves tone and clarity

Vitamin C + Prebiotics & Probiotics Synergy

Enhances Vitamin C absorption to brighten skin, fade dark spots, and even out tone while supporting a balanced skin microbiome.

SYNERGY OF PREBIOTICS & PROBIOTICS

PROBIOTICS

Live beneficial bacteria that help restore balance to the skin's microbiome

PREBIOTICS

Nutrients that feed and support probiotics, helping them thrive and promote the growth of good bacteria

HEALTHIER SKIN

SYNERGISTIC EFFECT OF PREBIOTICS & PROBIOTICS

Balances Skin Microbiome, Strengthens Skin Barrier, Enhances
Active Ingredient Absorption

SYNERGY OF POWDER-GEL

PREBIOTICS

Powder Form

- Potent
- Stable
- Instantly activates the skin microbiome

PROBIOTICS

Gel Form

- Hydrating
- Active
- Penetrates deeply into the skin

SYNERGISTIC EFFECT

Powder + Gel

Nourishes, balances, and strengthens the skin barrier.

POWDER-GEL DUAL TECHNOLOGY, SEALING IN ACTIVE INGREDIENTS

Sealed for Maximum Potency

Prevents ingredient degradation from air, light, and moisture.

Precise & Hygienic

Single-use packaging ensures purity, precision, and optimal results - delivering a consistent, fail-proof formulation every time.

Fresh Activation Every Use

Keeps ingredients at peak effectiveness.

HOW TO USE

01

Pour the **80g PROBIOTICS+ HYDROGEL** into a mixing bowl.

02

Add the **8g PREBIOTICS+ CONCENTRATED CAPSULE** and mix quickly.

03

Apply evenly onto the face and peel off after 20 – 30 minutes.

*Mix and apply within 2 minutes for optimal consistency and results.
